Hello Rhonda,

Yes, we would like to request a continuance for December 6<sup>th</sup>. Please let us know if the town requires any forms for this request or confirm this email notification is sufficient.

In regards to the escrow funds, we are working on getting those to you asap. There seems to have been a miscommunication with the owner. George's email is incorrect in these correspondences. It appears this was an error on the application we provided. Please use [gsaad01@live.com](mailto:gsaad01@live.com) for all future correspondence. Apologies for the confusion.

Thank you,

**Russel Rucker**

Project Engineer
